Art Unit: 3693

1. The following is an examiner's statement of reasons for allowance: The primary reason for allowance are the inclusion of the following: a processor receiving data related to a current call placed from an originating automatic number indicator (ANI) to a terminating ANI , the received data including at least the terminating ANI and a billing number, the processor retrieving from memory billing numbers for prior calls to the terminating ANI, if any, and an indicia of the time of the call, and the processor also determining whether the number of billing numbers used for the current and prior calls to the terminating ANI over a prior period of time falling within a time interval satisfying a threshold, a fraud alert being generated if the threshold is satisfied.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
